

GSLA Field Trips Guidelines during COVID

As we begin resumption of field trips starting May 2021, we will be following these safety guidelines:

- No more than 10 participants per trip
- Masks must be worn at all times
- No carpooling with people other than those in your household or bubble
- No sharing of binoculars or scopes

Do not join the field trip if you are experiencing the following symptoms:

- Coughing
- Shortness of breath
- Sore throat
- Muscle aches
- Sudden change/loss of taste or smell
- Fever or chills

If you have any questions about these guidelines, feel free to contact the leader of the field trip or GSLA Field Trip Coordinator Ian Batterman (text 920-360-0805, imbatterman@gmail.com).

Happy Birding!!!
